

APPENDIX A

RECORDS, REPORTS, NOTIFICATIONS, & POSTED ITEMS

This document is not rule. Instead, it is a tool to help as a quick reference to some of the Child Care Licensing (CCL) rules. This document will be updated as needed, but at least once a year. For complete access to the rules and their interpretation, please go to <https://childcarelicensing.utah.gov/Rules.html>.

For CCL, all records must be kept on-site for at least six weeks or longer depending upon the action or event that is documented. Children's and personnel records must be current and kept on-site while the individual is involved with the program, and for six weeks after the individual leaves the program. The business license and other facility records, such as fire inspection reports, must be current and kept on-site for at least 6 weeks after their expiration dates. At least 12 months of fire and disaster drills must be kept on-site for review by CCL. Other agencies, such as the local health department, the food program, or the IRS, may require that records be kept for a longer period of time.

Records: Children		
Rule	Record	Requirement
100-6(11) - (12)	Admission & Health Assessment for each child including emergency medical treatment & emergency transportation releases	<ul style="list-style-type: none"> • Obtain from parent before admission into program • Update annually • Keep on-site for CCL review
